PROFESSIONAL PROFILE

As a data analyst, I clean and organize data using SQL and create visualizations and dashboards with Tableau. I'm excited to be part of a team that works on ambitious projects and makes a real difference.

PROFESSIONAL EXPERIENCE

Monthly KPI Dashboard for Call Center - Personal [\(link\)](#)

August 2024

- Developed a dynamic dashboard for the Help Desk Manager to monitor call activity and employee performance.
- Made with Tableau

Global Layoffs: Data Cleaning & EDA - Personal [\(link\)](#)

July 2024

- Cleaned and formatted data to perform further analysis
- Built efficient queries like Rankings and Roll-ups to obtain meaningful information from the data
- Made with MySQL

ACADEMIC HISTORY

ML Diploma with Python - Data Science Institute Argentina (IDSA)

April 2023 - present

- Extensive study and practical application of supervised and unsupervised algorithms
- Problem-solving using various Machine Learning Models

Data Science & Prof. Profile - Platzi

April 2022 - December 2023 | [all certificates](#)

- Data Manipulation, Transformation, and Visualization
- Business Intelligence tools
- Descriptive Statistics for Data Analysis

Scientific Computing with Python - FreeCodeCamp

January 2022 - March 2022 | [certificate](#)

Chemical Engineering - University of Buenos Aires

2009 - 2013 | [certificate](#)

- Completed 50% of the career program
- Studies in algebra, chemistry, probability, and statistics.

TECHNICAL SKILLS

- SQL - Relational Database Manipulation
- Python
- Pandas & Numpy - Data Manipulation
- Matplotlib & Seaborn - Data Visualization
- ETL Process (Extract, Transform Load)
- Exploratory Data Analysis
- Web Scraping & APIs - Dataset Extraction
- Advanced Excel - Table Manipulation and Visualization

SOFT SKILLS

- Effective Oral and Written Communication
- Adaptability to Stressful Situations
- Self-Directed Learning
- Rapid Skill Acquisition
- Adaptability to Change
- Work Ethic and Commitment
- Collaborative Team Player

LANGUAGES

- Spanish native
- English bilingual
- Italian intermediate

CORE VALUES

- Environmental Consciousness and Conservation
- Empathy and Respect in Human Relationships
- Holistic Growth of Mind, Body, and Soul
